A Note from the Executive Director

June is here and we are excited for the beautiful weather and the chance to get outdoors. I'm glad to see some of our residents walking outside with our team members, maintaining social distancing, and wearing a mask. Thank you all for being so understanding through this pandemic. We are all ready for the next season.

We are extremely proud of our coworkers, residents, and families who have helped everyone stay safe & healthy. It is all the efforts and sacrifices that have proven that we are a great place to live and work.

We will continue many of our processes into the "yellow" and the "green" phases to reopen. While things may still be somewhat restricted, we promise to do everything possible so you can receive visits with your loved ones, come out to eat while socially distancing, and attend small group activities. We will communicate what we can do every step of the way.

I know I see many residents throughout the day, but I really miss you and your families. I hope you all enjoyed some of our special activities and celebrations. We are all trying to do our best to keep up spirits. Our team works hard to plan events and come up with some really great ideas for you all. If you have any ideas or anything you would like to see from us, please do not hesitate to let me or the team know.

Thank you and continue to stay healthy and safe.

Holly Townsend, Executive Director
