A Note from the Executive Director

As we move into a new month, I would like to thank each of you for your continued patience and understanding during these trying times.

We continue to have precautions in place to protect the welfare of each resident and coworker here at Providence Place at the Collegeville Inn. We appreciate your efforts in complying with the new changes.

Group activities will continue to be on hold. The staff will continue to assist with hallway bingo, trivia, exercise and other programming during the day. Staff will also be happy to accompany any resident on a one-on-one outside walk.

Don't hesitate to take advantage of our process to communicate with your families. We have iPads available for FaceTime, Zoom, and Skype. Our staff will be more than happy to assist you through the virtual visit. Window visits remain acceptable, just remember social distancing and both parties please wear a mask.

Thank you for your cooperation. **We will get through this together!**

Francie Hoch, Executive Director
