A Note from the Executive Director

I would like to again thank everyone for their continuous efforts to keep our community healthy and safe. This time has been challenging and your understanding has meant a lot to us.

We have started our surveillance testing in our community this past month, and will continue to have a number of staff and residents tested weekly for the COVID-19 virus.

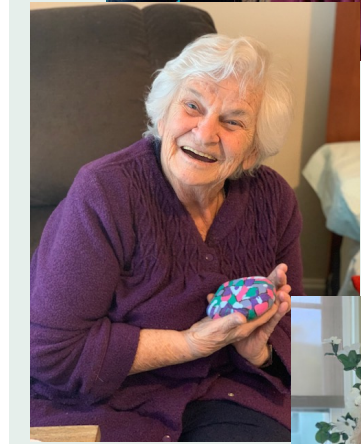

Thank you to our co-workers and residents for continuing to wear masks throughout our building. If you need a mask at any point, please let our team know and we will be happy to get you one.

Our residents and family members have done an amazing job to keep everyone's spirits up from window visits, to FaceTime, phone calls, zoom meetings and just general words of encouragement.

I am grateful for all our team members' dedication to our residents and our community. They all continue to be superheroes! We will continue to do everything we can to support our Providence Place family!

Anna Zuratt
Executive Director
