A Note from the Executive Director

Residents, Families & Friends;

As we move into February, we have much hope and gratitude as our community heals from our bout with COVID-19. With our vaccine clinics scheduled and residents and staff recovering, we know that this Spring will be a brighter time for all of us.

It will be so nice to have our residents out and about in the community and we look forward to adding visits in the near future. We have some wonderful activities and events scheduled for the residents as we move into the yellow and green phases knowing that they have been missing their friends and the engagement in fun and creative tasks.

We appreciate all of your generous support through the holidays.

Warm regards,

Francie Hoch, Executive Director
