# Providence Place SENIOR LIVING News

Q1: February 2021

## A Note from the Executive Director

Great things happened in January at our Pine Grove community. As of the beginning of February - we are COVID-free and have moved into the Green phase. The excitement can be felt in the air. It is great to see all of our residents and families smile during their visits.

We also held our first COVID vaccine clinic and it was a success! We can't wait to continue moving forward with our next clinic at the end of the month.

The motto here at Pine Grove is "Stay positive. Better days are on their way." Each day proves we can continue taking steps forward.

Thank you for your diligence and support and here's to a great month!

Sincerely,  
*Julie Wallace, Executive Director*
