

Focus on Wellness

As each community reaches “fully-vaccinated” status (two weeks after the 2nd clinic), updated reopening procedures will take into effect. Please see our COVID-19 notice webpage for details: <https://www.providence-place.com/news/covid-19-notices/>

As we begin this transition, we want to truly focus on the social and mental well-being of all of our residents & team members. We will be maintaining activities, dining, outings and more for our vibrant communities. A few highlights include:

- Dining rooms & internal activities will remain open
- Salon & Therapy services will remain open
- Visitation options available in community and for external family visits
- Reduced surveillance testing
- Reduced quarantine requirements for new residents and resident outings

Providence Place SENIOR LIVING News

Q1: March 2021

A Note from the Executive Director

Happy St. Patrick's Day & Spring!

Vaccines arrived and second doses were administered February 23rd. If you haven't signed up, please contact the front desk for a consent form for our third clinic to be held in March.

With continuing gratitude, I would like to thank everyone for their patience and understanding during these trying times. With no new positive cases at Dover, we were able to move forward to our Green phase. With this phase, we will proceed with group activities, communal socially-distanced dining (all three meals!) and salon services. All staff are continuing to wear mask throughout their shift.

We also resumed with our inside (designated lobby area) visits. We ask for everyone to wear a face mask at all times during the visit. Please call the front desk to schedule your visits. If you or your loved one has an interior apartment and you would like a window visit please call the front desk to schedule your window visit in the 100-patio area. Window visits are open without scheduling appointments for all other areas. Our staff would be more than happy to continue to assist with virtual visits such as FaceTime, Zoom, and Skype.

Thank you for your cooperation, hang in there we are moving towards regularity once again!

Howard Holben, Executive Director
