

Focus on Wellness

As each community reaches “fully-vaccinated” status (two weeks after the 2nd clinic), updated reopening procedures will take into effect. Please see our COVID-19 notice webpage for details: <https://www.providence-place.com/news/covid-19-notices/>

As we begin this transition, we want to truly focus on the social and mental well-being of all of our residents & team members. We will be maintaining activities, dining, outings and more for our vibrant communities. A few highlights include:

- Dining rooms & internal activities will remain open
- Salon & Therapy services will remain open
- Visitation options available in community and for external family visits
- Reduced surveillance testing
- Reduced quarantine requirements for new residents and resident outings

Providence Place SENIOR LIVING News

Q1: March 2021

A Note from the Executive Director

Our Pine Grove campus had a very active month of February. We are now in the Extended Green phase and have received our second dose of the COVID vaccine.

We continue to have indoor visits and have opened the doors to our outside vendors coming in for small groups. As we continue to reopen, we look forward to spring and getting out and about more!

March can only bring us better times in the Grove-- let's count our blessings the Irish way.

Sincerely,

Julie Wallace, Executive Director
