

Focus on Wellness

We are reopening our communities as we are now considered “fully-vaccinated” at each campus. We are excited to get out and enjoy the spring weather and focus on community, socialization and our physical & mental well-being.

A few highlights of our reopening include:

- Dining rooms & internal activities will remain open
- Salon & Therapy services will remain open
- Visitation available for family & friends
- Reduced testing & quarantines based on vaccination status
- Ongoing vaccine clinics available for new and existing residents and team members

Providence Place SENIOR LIVING News

Q2: April 2021

A Note from the Executive Director

It's beginning to look a lot like Spring, everywhere you go flowers are blooming and the sun is shining. After some extraordinary challenges, we are excited to reopen to family & friend visitors for our residents.

We have many plans for the warmer months, and I'm excited to see some normalcy throughout the community. Check out our calendar for all our exciting events this month. It really makes us feel good to enjoy the patios and walking path and to spend some quality time with our residents.

As always, my team is here for any of your concerns or needs. Reach out anytime to chat.

Continue to stay safe, happy, and healthy and happiest of spring to all,

Best,

Francie Hoch, Executive Director
