Updates to our Reopening Guidelines

Pennsylvania has officially ended its mask mandate and other distancing precautions as of the end of June. We have made great progress in combatting COVID and are proud of our residents, team members and families for helping the cause through vaccinations. Now that cases are significantly diminished, we are happy to provide updated procedures as of 7/2/21.

We believe in the importance of socializing and family visits for the well-being of all of our communities.

Welcome Back!

Providence Place SENIOR LIVING News

Q3: July 2021

A Note from the Executive Director

July is here and we are decorated and ready to celebrate Independence Day. We look forward to seeing many of you come to visit your loved ones over the Holiday weekend.

We have released some changes to our CDC/DHS guidelines for visitation, please see the back panel for details -- fully-vaccinated residents are not required to wear a mask in our community and visitation is available in all areas of the campus once again.

Thank you for your continued patience with this pandemic. We very much look forward to inviting family and friends to join us for Community Life events and use the fantastic common spaces that the Collegeville Inn has to offer.

Wishing you all a very Happy 4th of July and a great summer season.

Best,

Francie Hoch
