

Focus on Wellness

Updates to our Reopening Guidelines

Pennsylvania has officially ended its mask mandate and other distancing precautions as of the end of June. We have made great progress in combatting COVID and are proud of our residents, team members and families for helping the cause through vaccinations. Now that cases are significantly diminished, we are happy to provide updated procedures as of 7/1/21:

- Testing limited to symptomatic residents/team & monthly surveillance of non-vaccinated team members
- Fully-vaccinated residents are not required to wear masks

We believe in the importance of socializing and family visits for the well-being of all of our communities. **Welcome Back!**

Assisted Living Guidelines

rev. 6/30/21

REQUIRED PRECAUTIONS

- Dining rooms, Community Life Programs & Internal services remain open
- Fully-vaccinated residents may remove masks
 - Team members & visitors to wear masks in the facilities
- Off-campus outings & family visits permitted for residents
 - Open visitation to residents is available in each community
- Testing only for symptomatic residents or staff
 - Non-vaccinated team members surveillance tested monthly
- New residents can receive the vaccine from our pharmacy

Please Note: Above guidelines are subject to Pennsylvania state mandates & procedures. Additional precautions may be taken if any significant outbreak occurs.

Providence Place

SENIOR LIVING

News

Q3: August 2021

A Note from the Executive Director

We are finally getting back to normal here at Providence Place of Drums. It is very nice to see families visiting and residents engaging with one another.

As you may notice we have enhanced our Community Life activities and having loads of fun. We had a fantastic time at our Luau in July with a pig roast for residents, coworkers, and families. Check out all the fun pictures on our facebook page and be sure to come visit again for some of the August activities.

As always, my team is here for any of your concerns or needs. Reach out anytime to chat.

Continue to stay safe, happy, and healthy and happiest of summer days to all,

Kim Perchak

Executive Director
