## Updates to our Reopening Guidelines

Pennsylvania has officially ended its mask mandate and other distancing precautions as of the end of June. We have made great progress in combatting COVID and are proud of our residents, team members and families for helping the cause through vaccinations. Now that cases are significantly diminished, we are happy to provide updated procedures as of 7/2/21.

We believe in the importance of socializing and family visits for the well-being of all of our communities.

**Welcome Back!**

# Providence Place SENIOR LIVING News

Q3: July 2021

## A Note from the Executive Director

We are finally getting back to normal here at Providence Place of Drums. It is very nice to see families visiting and residents engaging with one another.

As you may notice we have enhanced our Community Life activities and having loads of fun. On Saturday, July 10<sup>th</sup> from 2pm-5pm, we are hosting an outdoor picnic event. We wanted to celebrate coming to the end of the Covid pandemic with a pig roast for residents, coworkers, and families. Food, live entertainment, bounce house, and face painting are some of the activities. We will also have tricky trays and the proceeds will benefit the Alzheimer's Association. Please call (570-788-7888) to RSVP with our receptionist.

As always, my team is here for any of your concerns or needs. Reach out anytime to chat.

Continue to stay safe, happy, and healthy and happiest of summer days to all,

*Kim Perchak*
