Updates to our Reopening Guidelines

Pennsylvania has officially ended its mask mandate and other distancing precautions as of the end of June. We have made great progress in combatting COVID and are proud of our residents, team members and families for helping the cause through vaccinations. Now that cases are significantly diminished, we are happy to provide updated procedures as of 7/2/21.

We believe in the importance of socializing and family visits for the well-being of all of our communities. **Welcome Back!**

Assisted Living Guidelines

rev. 6/30/21

REQUIRED PRECAUTIONS

- Dining rooms, Community Life Programs & Internal services remain open
- Fully-vaccinated residents may remove masks
 - Team members & visitors to wear masks in the facilities
- Off-campus outings & family visits permitted for residents
 - Open visitation to residents is available in each community
- Testing only for symptomatic residents or staff
 - Non-vaccinated team members surveillance tested monthly
- New residents can receive the vaccine from our pharmacy

Please Note: Above guidelines are subject to Pennsylvania state mandates & procedures. Additional precautions may be taken if any significant outbreak occurs.

Q3: August 2021

A Note from the Executive Director

Greetings – it is hard to believe we are halfway through 2021! The weather is beautiful and our days are brighter. This year started off with much uncertainty, but has moved in the right direction. The team at Providence Place is delighted to see the residents enjoying things they have missed, and to see family & friends visiting.

I have met so many great people in my first month. The Meet & Greet in June was wonderful. We were delighted to have so many families attending. I have also enjoyed visiting with the residents and hearing what is truly important to them. There is so much to share and know!

Our Connections Program expansion is now complete. There are apartments on the south side of the 2nd floor to better serve our greater community.

COVID vaccinations are still accessible. Providence Place had their last vaccination clinic; however, there are community resources available. Please contact us for details & available clinics.

It was an honor to celebrate our mothers, fathers, and fallen veterans in May and June. We held several events to recognize them and show our appreciation. They especially loved the Father's Day breakfast. Thank you, Community Life staff, for your tasty cooking!

Community Life is hard at work to finalize all of our upcoming events. The Summer Concert Series kicked off with the M&J band, which was outstanding. I heard so many requests to have them return. In July, we hosted Denny Heckard as Elvis, and August, John Stanky & the Coal Miners. The concerts are outdoor public events and all are welcome.

Please see the calendar and highlights for all that is being offered and contact us with any concerns or questions. We want to provide our residents, families, and friends their most vibrant and fulfilling experiences.

Best,

Tracy Mason, Executive Director
