

Focus on Wellness

As we continue to navigate the COVID-19 pandemic, we must remain vigilant in our efforts to slow down the virus. To do this, vaccinations are crucial. For individuals that were fully-vaccinated more than 6 months ago, a booster is now available to ensure that our bodies remain able to fight the virus.

Each of our campuses will be hosting booster clinics for residents and co-workers that received the Pfizer or Moderna vaccine. Please contact your Executive Director or Director of Wellness for further details.

A Note from the Executive Director

We now see the fall colors on the trees and feel the cool refreshing air. There is a lot of planning going on to celebrate autumn with new menus and activities. Please review the calendar for the upcoming weeks!

We have been monitoring the COVID positivity rates in Franklin County. We continue to see a rise in the rates so we need to be diligent in our prevention measures. Please always wear a mask when visiting and check in at the front desk for required screening questions. We continue to follow all COVID guidelines. If any new information is available, Providence Place will be certain to notify you.

Our Trick-or-Treat activities in the community were so fun and we cannot wait to celebrate the upcoming Thanksgiving season with everyone. Please stay tuned for plans!

Best,

Holly Townsend, Executive Director
