

Focus on Wellness

As we continue to navigate the COVID-19 pandemic, we must remain vigilant in our efforts to slow down the virus. To do this, vaccinations are crucial. For individuals that were fully-vaccinated more than 6 months ago, a booster is now available to ensure that our bodies remain able to fight the virus.

Each of our campuses will be hosting booster clinics for residents and co-workers that received the Pfizer or Moderna vaccine. Please contact your Executive Director or Director of Wellness for further details.

Providence Place SENIOR LIVING News

Q4: November 2021

A Note from the Executive Director

Welcome Fall! Don't we all love the fall weather and beautiful foliage this time of year? We are doing great things here at Providence Place of Drums. We have many fantastic outings and internal events planned for the season.

Since March of this year, our residents have been free from Covid. We are all doing a great job keeping residents safe. Unfortunately, we have had a few coworkers test positive recently, luckily they were mild cases and did not transmit within the community. Our Drums campus has a very high vaccination rate -- with 98% residents and 90% coworkers. We are still trying to get to that 100%!

Over the past few weeks, we have welcomed new team members to our family. We are working diligently to be sure hiring is a priority. I'm very proud of my dedicated and caring team at Drums. I appreciate the family and resident support over the past few months. Many of them have volunteered their time in activities.

As always, my team is here for any of your concerns or needs. Reach out anytime to chat. Continue to stay safe, happy, and healthy.

Kim Perchak

Executive Director
