A Note from the Executive Director

Wishing you all a Happy and Healthy New Year. As we continue to face new variants of the COVID virus, we are all working together to put safety first and keep our community a safe environment. We thank you for playing your part by continuing to comply with our masking requirements, sign in process and social distancing during visits. At this time, we continue with our community dining and an active Community Life schedule of events and programs -- we are hopeful that this will not change recognizing what an important role socialization and engagement play in the health and wellness of our residents.

Make sure to check your calendars from Community Life for the upcoming activities and events. Once again, thank you for being a part of our Providence Place family as we head into a fresh new year.

Cheers to a Joyful and Prosperous 2022 for us all!

Best,

Holly Townsend, Executive Director
