Providence Place SENIOR LIVING News

Q1: January 2022

A Note from the Executive Director

Wishing you all a Happy and Healthy New Year. As we continue to face new variants of the COVID virus, we are all working together to put safety first and keep our community a safe environment. We thank you for playing your part by continuing to comply with our masking requirements, sign-in process and social distancing during visits. At this time, we continue with our community dining and an active Community Life schedule of events and programs -- we are hopeful that this will not change recognizing what an important role socialization and engagement play in the health and wellness of our residents.

Make sure to check your calendars from Community Life for the upcoming activities and events. Once again, thank you for your understanding and patience during our ongoing carpet replacement.

Cheers to a Joyful and Prosperous New Year for us all!

Best,

Howard Holben

Executive Director
