A Note from the Executive Director

Happy New Year! 2022 is going to be a new year with a fresh start.

COVID has affected many of our lives again this past year. Our Drums campus was fortunate to have only a few cases and everyone is healthy. We all had some great holiday celebrations. It was a joy to watch our residents and coworkers gathering together with happiness.

As I reflect on 2021, I am going to focus on better things ahead and not forget the memories we created. I would like to thank all of our coworkers who worked through the pandemic to be sure our residents were cared for, safe, and happy.

Special thanks to all of our residents and families who brought in cookies and homemade treats over the holidays. My New Year's wish for all is peace, happiness, and good health.

Kim Perchak

Executive Director
