Q1: January 2022

A Note from the Executive Director

The Grove has a lot to celebrate as head into the New Year. We Continue to be COVID-free and have open visitation. Please remember to be vigilant with masking and hand-washing when visiting your loved ones. We still have the temperature and screening station at our reception desk upon entering the community.

Our lobby renovations are completed and our new look is amazing. Our Community Life program is flourishing with many new outings and educational programs coming into the building. Lori has a new assistant, Victoria, who is joining our activities team. Look for her the first week of January!

Our dining room is still socially-distanced and open to residents only. However, you can call and reserve the community room to enjoy any meal with your loved one.

I am hopeful that 2022 will be a better year for everyone. I saw this quote and wanted to share:

*Sincerely,
Julie Wallace
Executive Director*
